**CIRCULAR FOR STUDENTS OF CLASS XII  
EUCLID CONTEST**

Dear Students,

Greetings from Indian School Muscat!

Every Foreign University, at the time of admission, gives preference to those students who exhibit their skills and overall development in various areas besides the competitions conducted by their own school. In line with this, the Mathematics Department of ISM, Senior Section encourages students to take part in various competitions held outside our school. One such event is **Euclid Contest for Class XII** students.

The **Euclid Contest** will held be on **Wednesday, April 5, 2023** by Centre for Education of Mathematics and Counting, University of Waterloo, Ontario, Canada.

Interested students may register their names on or before **Tuesday, March 7, 2023** by sending a mail to [hodmaths.senior@ismoman.com](mailto:hodmaths.senior@ismoman.com) with the following details: **Name, Class and Section, Phone number and email ID.**

The contest fee **RO 6.300/- (contest + shipping incharges + VAT)** need to be paid to **Mr. Gurpreet Singh, HOD Mathematics, Senior Section**, at his office during working days from **7:00 a. m. to 1:00 p. m. on or before Tuesday, March 7, 2023.**

**The shipping out charges will be collected separately, based on the number of participants, on March 8, 2023.**

Students who perform well in the Euclid Contest will gain admission to the Faculty of Mathematics program at the University of Waterloo and can be considered for Faculty of Mathematics Entrance scholarships. Also, certificate of distinction is awarded to students who score in the top 25% of all the contestants.

Other information regarding curriculum, previous year papers and time and conduct of examination can be obtained from Mr. Gurpreet Singh.

With Best Regards

Dr Rajeev Kumar Chauhan  
Principal
