CIRCULAR TO PARENTS OF CLASSES IX TO XII (2023-24)

Dear Parents,

Greetings from Indian School Muscat!

Olympiad exams make it very easy for students to compete in other competitive exams and score good marks. It provides children with a wide edge from other students and leverage their skill sets. Olympiad exam is popularly recognised for its immense role in overall development especially the cognitive skills. Participating in Olympiads helps to enhance problem solving skills and thinking outside the box.

To give our students an extra edge Indian School Muscat announces the conduct of Mathematics Olympiad for all students of senior section on May 25, 2023 during the school hours.

The question paper will consists of three sections:
