CIRCULAR TO THE STUDENTS OF CLASS IX TO XII (2024-25) SCIENCE OLYMPIAD

Dear parents,
Greetings from the Indian School Muscat!

We are providing a platform for students to build twenty-first-century skills like critical thinking, ingenuity, agility, and problem-solving by organizing Competitive Exams and preparing the students for their future in this global world. These Olympiads improve thinking capacity, and problem-solving skills and inculcate competitive spirit in the students.

The Olympiad exam is popularly recognized for its immense role in overall development, especially cognitive skills. Participating in Olympiads helps to enhance problem-solving skills and thinking outside the box.

To give our students an extra edge Indian school Muscat announces the conduct of Science Olympiad for all students of senior section on **30th May, 2024** during the school hours.

The question paper will consist of three sections:

SECTION	TOPIC	MARKS OUT OF (50)	MARKS OUT OF (50)
I	Logical Reasoning	10	10
II	Science	35	35
III	Achievers Section	5	5

The kind of questions in the Olympiad will be non-trivial. Each question will carry 1 mark. There will not be any negative marking.

Class-wise details of marks, time duration, and Syllabus will be uploaded to the MOODLE

The top 5% scorers in each class group will receive a Certificate of Merit. These students will be further encouraged to participate in various Science Olympiads and competitions at the global level. In case of any clarification, students are advised to contact their respective Science teachers

Kind regards,

Rakesh Joshi
Principal
