CIRCULAR TO STUDENTS OF CLASSES VIII - X
CBSE SCIENCE CHALLENGE 2021 - 22

Dear students,

Warm greetings from Indian School Muscat!

Science is linked with our lives and helps us to understand the world around us better. Scientific and technological developments contribute to progress and help improve our standards of living. By engaging with this subject, students learn to think, solve problems and make informed decisions. As an initiative to generate curiosity, enquiry and higher order thinking amongst the learners, the Board is organizing the **CBSE Science Challenge for students of Classes VIII to X.**

This challenge shall be available on **DIKSHA platform from January 17, 2022 to February 28, 2022.** Students from Classes VIII to X are eligible to participate in this challenge.

There is NO participation fee for this student enrichment activity.

Those who are interested in participating in this online enrichment course can enrol their names **on or before Thursday, January 27, 2022.**

Class VIII students can enrol their names with their respective Science teachers.
Class IX students can enrol their names with their respective Chemistry teachers.
Class X students can enrol their names with their respective Physics teachers.

Once the registration is done, all the students who enrol will be given an ID. This ID needs to be entered while accessing the DIKSHA Portal.

INSTRUCTIONS TO STUDENTS

- i. Students can access the course via DIKSHA portal on computer or via the DIKSHA app on their Android mobile. iPhone users can access the quiz on any mobile browser. They must have the latest version of the DIKSHA App from Playstore to access the quiz. In case they already have the DIKSHA App, it may be ensured that it is updated to the latest version by visiting Playstore.

- ii. Students will be required to login to portal/app using their existing DIKSHA credentials. If they do not have an account on DIKSHA, they can register for the same by clicking on the “**Register here**” button on the page. They can also sign in with an existing Google account by clicking on the “**Sign in with Google**” button.
- iii. The “CBSE Science Challenge” in English can be accessed via link: <https://bit.ly/3nrpE2i>
- iv. On reaching the course home page, click on “**Join Course**”.
- v. Once the students join the course, they will be able to access different modules of this course. They can either click on Start Learning or on any one of the modules to access the content:
 - a. The first module provides a brief introduction to the CBSE Science Challenge course.
 - b. The second module is the CBSE Science Challenge.
- vi. The students of CBSE affiliated schools have to fill in the Registration ID which will be provided by the school/ teacher before accessing the Quiz.
- vii. All students who complete the course will be provided with a participation certificate. Participation certificates will be issued online on the DIKSHA platform itself upon completion of the course. Please ensure that students have their correct names in the DIKSHA profile. Students should have the latest version of the DIKSHA app or access to the DIKSHA website to receive certificates. Please note that no merit list shall be displayed or separate certificates will be issued to the participants for this activity.

With Warm Regards

Dr Rajeev Kumar Chauhan
Principal
