CIRCULAR TO STUDENTS OF CLASS VIII TO XII
VIVO Ignite: Technology and Innovation Awards 2023

Dear Students,
Greetings from Indian School Muscat!

The Central Board of Secondary Education is providing an opportunity to the students of class VIII to XII to be part of the VIVO Ignite: Technology and Innovation Awards 2023 which is a national-level award that encourages young minds to explore the endless possibilities of technology for the betterment of our society.

The theme **"Tech for Good"** aims to recognize and applaud innovative projects that contribute positively to the society.

Aim of the Competition:

- **Promoting Technological Creativity**: Encourage students to think creatively and innovatively in leveraging technology to address real-world challenges. A culture of creativity among students, inspiring them to explore technology as a tool for problem-solving and positive societal impact.
- **Enhancing Practical Application of Knowledge and cultivating a Technologically Competent Generation**: This will provide students with a platform to apply theoretical knowledge gained in the classroom to practical, real-world scenarios and develop a skilled and technologically competent workforce for the future

Theme:

This year's theme "Tech for Good-Technology and Innovation for Social Impact" is a call to action, which invites students individually or in groups to create and submit a working prototype that holds the potential to make a profound and positive change in society.

Who can participate: Both individual and group submissions are welcome from Class VIII to XII.
