CIRCULAR TO STUDENTS OF CLASSES IX, X, XI & XII
FREE APTITUDE TEST

Dear Parents,

Greetings from Indian School Muscat!

Psychometric tests are scientific ways to assess a person's Aptitude, Interests and their Personality. It is important for students to take Aptitude tests so they can discover their undiscovered skills and talents. Once students develop self-awareness about their skills and talents they can decide the career path they wish to pursue and they can select appropriate subjects for grade XI in Senior School and higher studies, if their academic merit also permits.

As a special feature of Avenir 2022, the Board of Directors had decided to conduct Psychometric tests for students of classes IX, X, XI and XII without any fees. You are requested to register your ward's name for the Psychometric tests and kindly encourage your child to participate.

Please use the following link for psychometric test registration. **Please complete the registration by Sunday, October 2, 2022.** The test schedule will be communicated to you well in advance by the Avenir Team.
