CIRCULAR TO STUDENTS AND PARENTS OF CLASS XI F

Dear Parents and Students,

Greetings from Indian School Muscat!

In continuation to the orientation programme held on Wednesday, 29th July 2020, we would like to introduce Applied Mathematics (Subject Code 241) for the students of Commerce stream from this academic year since Applied Mathematics is more useful for the students of Commerce stream. We would like to get your confirmation in this regard. We request you to fill in the Consent Proforma given below and return to vp.senior@ismoman.com on or before **Tuesday, 11th August 2020** by 5 p.m. so that we can decide on the Mathematics class without further delay.

Those students who don't want to study Applied Mathematics and would like to pursue the General Mathematics to also confirm the same. They can continue with the General Mathematics in classes XI & XII. This concession is given only to this batch of students.

With best wishes

Dr Rajeev Kumar Chauhan
Principal
