CIRCULAR TO PARENTS OF CLASS III – EXCURSION

“In every walk with nature, one receives far more than one seeks.”

Dear Parent,
Greetings from Indian School Muscat!

Learning extends far beyond the four walls of the classroom. Nature-based excursions offer children valuable opportunities to explore their surroundings, observe the beauty of the natural world, and learn through direct experience.

Such outings help nurture curiosity, environmental awareness, cooperation, and social skills, while also providing moments of joy and relaxation. The laughter, excitement, and shared experiences during these trips become cherished memories that contribute to a child's overall development.

In this spirit, we are delighted to inform you that the school is organizing an educational excursion for the students of **Class III** to **Wadi Kabir Park**, during school hours. This visit aims to promote appreciation for nature, healthy recreation, and learning through observation and interaction in a safe outdoor environment.
