CIRCULAR - WINTER STROKES ART EXHIBITION 2023 (CLASSES I to XII)

Dear Students and Parents,

Greetings from Indian School Muscat!

Indian School Muscat aims to organize WINTER STROKE 2023, an Art Exhibition for Classes I to XII.

Art is an integral part of our school curriculum, enhancing students' holistic development. Art education cultivates problem-solving skills, nurtures imagination, and encourages experimentation. It enables students to communicate ideas effectively, fostering confidence and self-esteem. Integrating art across subjects not only stimulates cognitive abilities but also instills empathy, allowing students to understand different perspectives. By embracing art in our curriculum, we aim to create well-rounded individuals who can innovate, collaborate, and contribute meaningfully to the world around them.

Whether they are paintings, sketches, sculptures, or any other form of art, we encourage you to participate and share your unique perspective with us. Let your creativity be your guide as you prepare your masterpieces for display. This exhibition is an opportunity to celebrate the vibrant creativity of our school community. Parents and teachers will also be invited to witness your incredible artwork. Mark your calendars, gather your art supplies, and prepare to amaze everyone with your talent! Let your creativity flow, and let's make this exhibition a colorful success!
