DEMO ASSESSMENT FOR CLASS IX STUDENTS

Dear Students and Parents,

Greetings from Indian School Muscat!

We have been successfully organising the online live classes through Google Classroom for the students of Class IX. As informed during the Parent Orientation Programme, the first online assessment will be held from Monday, 1st June 2020 for which the detailed time table has already been sent to you and the portion too has been given to students and the same is available on the website for your reference.

Our students are not used to writing online tests. Therefore, in order to give a practice of attending the online assessment, a demo test is arranged for the students of Class IX on Thursday, 21st May 2020 at 4 p.m. The test will be in English for 30 minutes with 20 MCQs.

- Before logging into the ismoman id, students should make sure that they log out of all other mail ids in the system they use.
- They should login to the school mail ID. Click on the Google apps icon on top right bar of the screen 
- When they click on Classroom  they will see the group for which they have accepted the invitation.
- A link will appear on the stream tab home page at 4 pm once they are inside the classroom. They can click on this and attend the assessment.
- They will get the link in official mail id also at 4pm which will take them to the test directly.
- After answering all the questions, they need to click the 'submit' button to complete the assessment.

With Best Regards

Dr Rajeev Kumar Chauhan
Principal
