Two levels of Mathematics Examination i.e. Mathematics Basic (241) and Mathematics Standard (041) will be held in the Board examination for Class X.

Mathematics Standard is the same as the existing one, and Mathematics Basic is an easier level. **The Standard level is meant for students who wish to opt for Mathematics at Senior Secondary level (STD XI) and the Basic level is meant for students NOT keen to pursue Mathematics at higher level.** A student has the right to choose between the two levels of Mathematics Examination.

With warm Regards
