CIRCULAR TO ALL PARENTS OF CLASSES X

Dear Parent,

In order to extend class room teaching for our students at Indian School Muscat, we are introducing Just-in-Time Teaching (JiTT), a pedagogical strategy that forms a feedback loop between classroom teaching and students' participation in online activities from home.

As a part of JiTT initiative, students of Class X will have access to Live Webinar sessions to prepare for forthcoming half-yearly examination. These sessions will be presented by respective ISM subject teachers through live whiteboard with real-time multi-media presentations. Students can participate and post their questions and clear their doubts. Each session will also be recorded and available for later use.

Students should login to Indian Schools Oman Virtual Learning Environment (ISOVLE) portal (<https://isovle.net>) using their username: school code (01 for ISM) and GR number with password (date of birth as DDMMYYYY). Please watch this video for more details: <http://ismoman.com/media/ISOVLELOGIN.mp4>

After login you may visit the following link to access live webinar sessions during the allotted time: <https://isovle.net/course/index.php?categoryid=12>

With regards,

Dr Rajeev Kumar Chauhan
Principal
