CIRCULAR TO THE STUDENTS OF CLASSES V TO XII

Dear Student,

Greetings from Indian School Muscat!

The Ministry of Education will be organizing virtual competitions in connection with the **STEM National Science Week 2021** by National Science Technology Engineering and Mathematics (STEM). Students of Indian Schools are invited to participate in this virtual competition under two categories. The details of the competitions are as follows:

SL NO.	COMPETITION	THEME	CHALLENGE	CLASSES
1	PHOTOGRAPHY	Our Environment through the lens of our children	Photographing a snapshot or scene expressing the Omani environment in its various aspects, with the aim of highlighting the potentials that the Sultanate has in terms of geographical and climatic diversity.	V to XII
2	POSTER DESIGN	Our land after 50 years	Design a poster to explain your imaginations of the future as a result of environmental, social changes on life on planet Earth.	VII to XII

Last date for the submission of Photograph/Poster - 20/03/2021

Interested students are requested to visit the following links for the rules and regulations of the competitions and registering for the same and uploading the content in the specified formats.
