EXTENDED ACADEMIC ENRICHMENT SESSIONS FOR
STUDENTS OF CLASSES IX, X, XI & XII
(FOR THE ACADEMIC YEAR 2018-19)

Dear Parent,

Greetings from Indian School Muscat!

As part of our commitment towards academic improvement of your ward, it has been decided by School Management Committee and School Administration to conduct extended academic enrichment sessions for interested students irrespective of their academic performance through separate sessions on each of the following subjects on every working day during afternoon sessions from 2.15 p.m. to 5.30 p.m. and on all Saturdays from 11.30 a.m. to 2.30 p.m. at free of cost for the following subjects:

Classes IX & X: Second Language, Mathematics, Science & Social Science

Classes XI & XII: Mathematics, Physics, Chemistry, Biology, Accountancy, Economics, Business Studies, Computer Science, & Informatics Practices

The main purpose of these sessions is to provide more focused attention to students on those subjects which they believe should be improved upon in order to excel in their academics. Apart from being handled by eminent subject experts, these sessions are expected to bring about considerable enhancement of knowledge on the subject through additional notes and coverage of topics.

Parents are requested to avail the facility given to the students and this will help them to fare well in their studies. Kindly fill in the online consent form on the school website (<http://forms.ismoman.com/consform/ConsentForm.php>) on or before Saturday, 15th September 2018. Those parents who have difficulty in filling online form can contact Vice Principal (Senior Section). Kindly note that the link will not be available after 15th September 2018.

With Best Regards

Dr Rajeev Kumar Chauhan
Principal
