CIRCULAR TO PARENTS OF THE SCHOOL (CLASSES I to VIII)

Dear Parent,

Sub: Introduction of new Regional Languages (Academic Year 2023-24)

In continuation to the earlier circular regarding the online regional language classes, the school would like to conduct a feedback survey among the parents with regard to the introduction of new regional languages in the school curriculum as part of second/third language from the academic year 2023-24.

We request the parents to submit the feedback on the preferences of the regional language of their choice by using the attached form link given below. This feedback survey is invited from the students who are interested to learn any Indian Regional language other than the existing ones in the present curriculum of the school. At present, we have Hindi, French, Malayalam, Arabic and Sanskrit languages under the second/third language options for the students from Classes III to VIII.

The final decision on the introduction of the new regional languages will be decided by the school management committee and the school administration based on the feedback survey and the number of students in each class. The regional language will be introduced only if there is a minimum number of expression of interest received against a particular Indian regional language.

Interested students can submit their expression of interest by filling in the online form by clicking on the link <http://forms.ismoman.com/frm/forms/introduction-of-new-regional-language> on or before Thursday, 17th February 2022.

Please note that this form needs to be submitted only by those students (Classes I to VIII) who are interested to give the feedback on the introduction of new regional language.

Thanks and regards,

Dr Rajeev Kumar Chauhan
Principal
