INSTRUCTIONS TO STUDENTS OF CLASSES IX, X & XII

Dear Students,

Greetings from Indian School Muscat!

- Students should make sure that ISMVLE is functional.
- They should ensure that they have a good internet connection to write their examination smoothly.
- Students should have all the stationery items, including, letter-size ruled papers, maps and graph sheets, needed for the examination with them before they sit for the examination.
- They should write their names in full, GR Number, Roll Number, Class and section, name of the subject, date of the examination and total number of pages on the first page of their answer sheet and on top of the maps and graph sheets.
- The question papers consist of two parts – Objective and Descriptive. The Objective part should be answered online and submitted within the given time, and the Descriptive part needs to be answered in the ruled paper.
- After submitting the Objective part of the question paper, students should download the descriptive part of the question paper. They get the first 10 minutes for reading the questions.
- They can take a maximum three hours (Classes X & XII) and two hours (Class IX) for answering both the parts. They need to answer the map and graph questions on the already procured sheets. Students should not exceed the word limit as given in the question papers.
- After the completion of the examination, students should scan the answer sheets along with the maps /graphs using an Adobe Scan, Office Lens or CamScanner in their mobile phone (not to use HD camera) in the lowest resolution, the PDF file size not exceeding 20 MB and upload the same on the ISMVLE portal and submit them within the next 30 minutes.
- Students are requested to try using the above process during the Model Exam.
