**CIRCULAR TO PARENTS**

Dear Parent,

As we near the Anniversary of the School Monitored Safe Transport System, the Management and Staff are grateful to each and every one of you for your whole hearted support and cooperation rendered towards this system.

The School Monitored Safe Transport System was launched in January 2017 and is running smoothly. Within this one year it has expanded with the addition of new routes and at present we have buses plying on 23 routes. This was an initiative taken to ensure safety of our children.

We would like to invite more students to be a part of the School Monitored Safe Transport. The bus fare for the year 2017-18 has been calculated based on distance and is listed below for your reference. The following are the present routes and fare:
