CLUB ACTIVITIES 2018 (SENIOR SECTION)

Indian School Muscat strives to develop holistic development of students, the purpose of which is to prepare students to meet the challenges of life as well as academics. There are more skills they can acquire beyond the classroom. It is important to appreciate the contribution of the skill set a learner can obtain from being a part of a club at school. Clubs can offer important life skills that a learner can use for the rest of his/her life. This is a great opportunity to exercise and practise leadership at the right age.

During the academic year, the school is offering various club activities appropriate to their age and interest, on **the first Saturday of every month, starting from the month of May 2018**. Those who are interested may fill in the proforma and select the club/clubs they would like to join by ticking one or two clubs (of different timings), and return the same to the respective class teachers on or before Thursday, 12th April 2018.

Warm regards
