**Circular to all Parents (Classes IV to XI)**

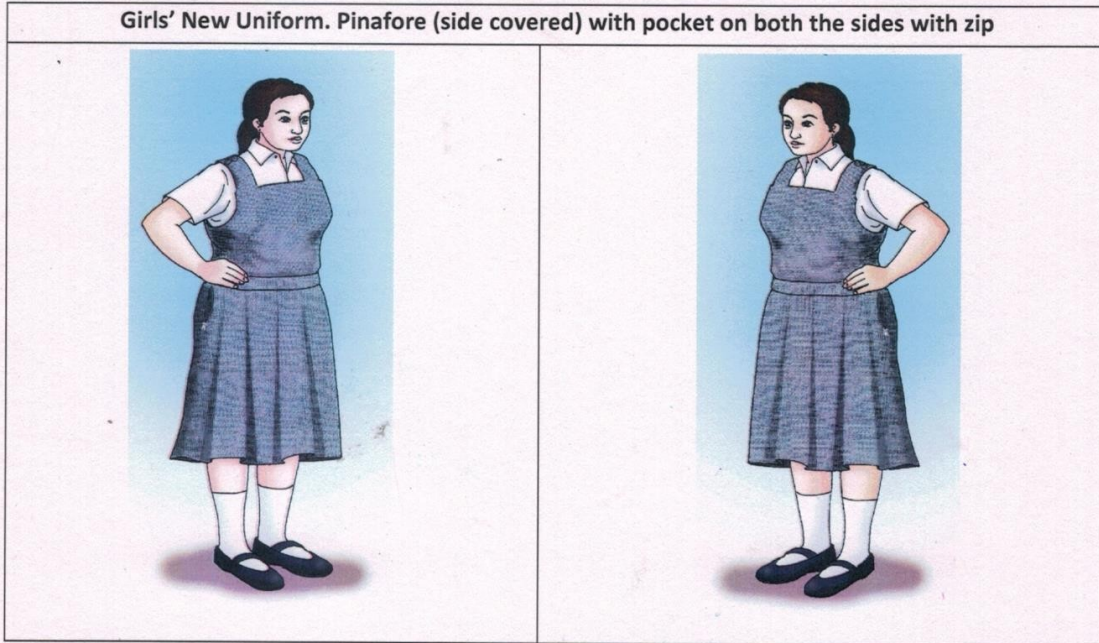

Dear Parent,

Greetings from Indian School Muscat.

Please be informed that the school has decided to do a slight change in the pattern of regular school uniform of girl children for the classes V to XII from the next academic year 2020-21.

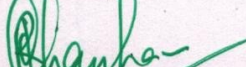

The new uniform will be mandatory only with effect from April 2021 to give sufficient time for all the children to change to the new pattern. We request all the parent to buy only the new pattern if they are intended to buy the new set in the next academic year (2020-21).

This decision has been taken by considering the various feedbacks received from parents, teachers, counsellors and students in regard to the pattern and design of existing school uniform of girl children. The change suggested is in the design of the pinafore of the girl students as per the details shown below.

Please note that there won't be any change in the boys' regular school uniform (STD I to XII) and the regular uniform for the girl students of primary classes (STD I to IV).

With Best Regards

  
Dr. Rajeev Kumar Chauhan  
Principal
