**AN EXCHANGE PROGRAMME TO SINGAPORE**

Dear Parent,

17 January 2019

As part of our Extended Learning Programme, the school is organizing an Exchange Programme to NPS International School, Singapore. This is an exclusive package for the students of Indian School Muscat. The group will be leaving on 16th April 2019 and returning on 23rd April 2019. One female teacher and one male teacher will accompany the group.

This is a golden opportunity for our students to visit Singapore and experience the life in Singapore. The purpose of the exchange programme is to provide an opportunity to students to develop a global outlook. The students can experience a great sense of accomplishment as they will gather knowledge of a new culture through direct participation. End of the session they would have made new friends with the children of the host school and they will look forward to meeting them at the interactive session at Indian School Muscat campus.

The programme includes visiting different important places of historic, scientific and touristic interest like visit Sentosa , Universal Studios ,Singapore Flyer, Gardens by the Bay, Wet & Wild Water Park, Singapore Zoo, River Safari , Night Safari and Jurong Bird Park. They will attend regular and special classes at the Host school.

The total cost of the tour will be **OMR 600/-** which will **cover all expenses including insurance, visa and airfare for MCT-SIN- SIN-MCT economy class.**

In case, the minimum number of students required for organizing the excursion is not met, the tour will be cancelled and the amount shall be refunded in full. If you are interested in sending your ward for the above tour, you are required to fill in the proforma given below and send it back to Ms. Joyeeta B. French Teacher on or before 28th January 2019 along with valid passport copy (minimum 6 months validity from the date of travel) & the receipt of payment made at the School cash counter. Your ward's confirmation will be solely on **first come first served basis**.

I do believe that such a tour will bring maximum pre-learning inquisitiveness in the child, develop values of confidence, a spirit of self-dependence as well as learning about the educational aspects of the places the child visits. In case you need any further clarification please feel free to contact Ms. Joyeeta B.

With best wishes

  
 Dr Rajeev Kumar Chauhan  
 Principal
