**SUPPORT STUDENT CAMPAIGN**

Dear Parent,

Greetings from Indian School Muscat!

As an inspiration to all my young students, the quote by the Speaking Tree will have an impeccable impact for generations to come: "Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can."

The Charity Club of our school proposes to organize a coin collection drive towards "Sponsor A Student Campaign". Students will be provided with envelopes in which they can collect the coins and small denomination currency notes of Omani Rial to support the cause. The class teachers will be the brand ambassadors of this noble campaign.

"Volunteerism" is a crucial concept that we empower our students. When your child volunteers to help others, they are aware of their good acts which support the community. Every small act of kindness and a helping hand contributes in making a big difference to the campaign. We look forward to your child's wholehearted participation in the same.

With warm regards

Dr Rajeev Kumar Chauhan  
Principal
