Circular to Parents of Classes IX to XII

ISM/PRN/022/2017-18

6th August 2017

Dear Parent,

Greetings from Indian School Muscat.

We welcome back all the students after the summer break. We are sure all our students have charged up and properly ready for the academic year, for their board and senior classes.

Since the CBSE has announced Board Examination for Class X from this academic year and if we don't prepare our students well, it will be difficult for the students to score very good marks in the examinations. Therefore we would like to prepare our students of Classes X and XII to face the Board Examinations in March 2018 especially the Grade X students who will appear for their first Board exam.

Also to prepare the students of Classes IX & XI for the Board Examinations in March 2019, as discussed earlier, we have decided to conduct the annual examinations this academic year in the last week of February 2018 and start next class early so that the teachers will have enough time to prepare our students very well to face the Board Examinations in March 2019 more confidently and come out with flying colours. Kindly be ensured that all syllabus will be covered properly and additional classes shall be held for all senior school students in the month of December 2017.

Therefore, we are going to organize special classes on all **Saturdays w.e.f. 12th August 2017 from 7 a.m. to 11 a.m. Attendance to these classes is mandatory.**

- ❖ The school would like to help the below average students to face the future examinations confidently. In order to do that we will organize remedial classes to all those students who have secured below 40% marks in the first cycle test from 11.15 a.m. to 1.15 p.m. on Saturdays after the regular classes. Besides this, our teachers will identify the high achievers from each of the classes and they will be given special coaching by senior teachers from 11.15 a.m. to 1.15 p.m. in the school. The parents of those students who are going to be identified for the above classes will be informed by the respective class teachers very soon.
- ❖ **Kindly note that these are free classes without any charges.**

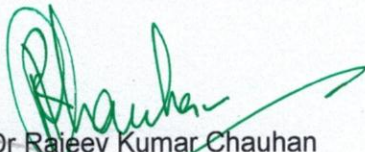

We request the parents to arrange transport for their children for the above classes to make good use of the opportunity given by the school. We solicit the parents' wholehearted cooperation in this sincere attempt to support our students.

- ❖ In order to keep the parents informed of the latest developments and the programmes that are planned for the students in the Senior Section, the school is organising a Parent Orientation Programme for the parents of Classes IX to XII on **Saturday, 12th August 2017** in the new multipurpose hall.

Classes IX & X from 8 a.m. to 9 a.m.

Classes XI & XII from 9.30 a.m. to 10.30 a.m.

All are encouraged to attend the same. Please note that this orientation is exclusively for the parents of classes IX to XII only.

Dr. Rajeev Kumar Chauhan
Principal
