

**INDIAN SCHOOL MUSCAT
MIDDLE SECTION
DEPARTMENT OF SOCIAL SCIENCE
WINTER PROJECT-2019-20**

TOPIC: COMMUNICATION

Class: V

Max Marks: 5

Projects make learning interesting, motivating, creative and participatory in nature. Students must possess the 21st century skills like teamwork, problem solving, research gathering, time management, information synthesizing, utilizing etc.

The students can consider it a challenging act. In the ensuing winter vacation, devote some of your leisure time to prepare some good projects, which will further enrich your knowledge.

Given below are few questions and guide lines to help you to present your project well.

1. On an A4 size paper stick one picture on each and describe any four different means of mass communication. ($\frac{1}{2} \times 4 = 2$ marks)
2. Prepare a collage on the different means of communication. (1 mark)
3. Prepare a write up about internet, their history and uses. (1mark)
4. "Satellites improve communication". Explain with suitable examples and pictures.(1mark)

GUIDELINES:

- The project must be **handwritten** and should be submitted in a **folder**.
- **Stick appropriate pictures** for each question.
- The Project must have a **cover page** mentioning the name of the topic, student's name, class, section and roll number clearly.
- It should also consist of a **content page** and **acknowledgement note**.
- Maximum number of pages----**8** (including the cover page and content page)
- Students are encouraged to **use their imagination and creativity** to make the project colourful.
