When Rukhsar and her friends reached the fair, there were many toys and food stalls. Though her friends ran to the giant wheel, Rukhsar didn't go for it. She wanted to save the money for something special. When she saw colourful toys though she was tempted she convinced herself saying that it was made of mud and it would easily break and that water will ruin its paint. She also watched hungrily when her friends were eating gulab jamuns and rose-scented laddus. Finally, she bought a pair of iron tongs for her grandmother, Amina, who always burnt her fingers while making rotis. This shows that Rukhsar was loving and affectionate towards her.

Or

2) According to the old story tellers, how did Arion escape from drowning?

Old story tellers say that he climbed on the back of a large fish, called a dolphin, which had been charmed by his music and had swum near the ship. The dolphin carried him with great speed to Corinth. Other people think that the dolphin which saved Arion was not a fish, but a ship named the Dolphin.
