

INDIAN SCHOOL MUSCAT
MIDDLE SECTION
REVISION WORKSHEET

SUBJECT: ENGLISH

TOPIC: Reading and Writing

CLASS V ____ NAME: _____ ROLL NO: ____ DATE: ____ 2/2019

I. Read the passage and answer the following questions:

Antarctica is the southernmost continent of our planet. Antarctica is rarely thought of as a desert because it is covered in ice. It is the driest place on the earth. It is the largest desert on earth as it gets very little rainfall. It is also the coldest place on earth, too cold for rain to form or fall.

The continent has two seasons – summer and winter. In summer, that part of the Earth (south pole) faces the sun all the time and so it is always day in Antarctica. In winter, it never faces the sun and so it is always night in Antarctica during winter.

There are no permanent human residents in Antarctica though many scientists stay there for months to study the ice. Antarctica has no trees or bushes. The only plants that can live in such a cold place are moss and algae. From the animal kingdom, seals and penguins are native to this crystal continent.

A. On the basis of your reading of the passage choose the correct options:

1. Antarctica is the _____ place on Earth.

- i. driest ii. hottest iii. coldest iv. wettest

2. Antarctica is the _____ continent of our planet.

- i. northernmost ii. southernmost iii. easternmost iv. Westernmost

B. Complete the following:

1. The only plants that live in _____

2. Seals and penguins are _____

C. Find the words for the meanings given a. rare _____ b. native _____

D. Find the opposites for a. cold _____ b. permanent _____

E. State whether the following statements are true or false:

1. Antarctica is a desert which gets heavy rainfall. _____

2. Antarctica has different kinds of trees and bushes. _____

II. Read the sentences and write the story in the correct order as a paragraph.

Do not number the sentences again. Provide a suitable title.
