

**INDIAN SCHOOL MUSCAT
MIDDLE SECTION
DEPARTMENT OF SOCIAL SCIENCE
WINTER PROJECT-2017-18**

TOPIC: MARKETS AROUND US

Class VII

Max Marks: 5

Dear Students

Projects make learning interesting, motivating and participatory in nature. The students can consider it a challenging act. In the ensuing winter vacation, which is of a longer duration, I am sure you will devote some of your leisure time to prepare some good projects, which will further enrich your knowledge.

Guidelines for the project

1. What are markets? Explain any two types of markets with proper illustrations and pictures.
[Hawker's stall, Weekly market, shopping complex, Shopping mall] **(3 marks)**
2. How do goods reach markets? Use proper illustration to explain. **(1 mark)**
3. Make a collage of different types of markets. **(1marks)**

Please Note:

- The project must be **handwritten** and should be submitted in a **folder**
- The Project must have a **cover page** mentioning the name of the topic, student's name, class, section and roll number clearly.
- It should also consist of a **content page** and **acknowledgement note**.
- Maximum number of pages----8 (including the cover page and content)
- Students are encouraged to **use their imagination and creativity** to make the project colourful.
