
	<p>INDIAN SCHOOL MUSCAT MIDDLE SECTION DEPARTMENT OF SOCIAL SCIENCE <u>WINTER PROJECT-2018-19</u></p> <p><u>TOPIC: TRANSPORT</u></p>	
---	--	---

Class: V

Max Marks: 5

Dear Students,

Projects make learning interesting, motivating and participatory in nature. The students can consider it a challenging act. In the ensuing winter vacation, devote some of your leisure time to prepare some good projects, which will further enrich your knowledge.

Given below are few questions and guide lines to help you to present your project well.

1. On A4 size paper stick one picture on each and describe the same Roadways, Airways, Waterways, and Railways. ($\frac{1}{2} \times 4 = 2$ marks)
2. Stick one each picture of modern and olden means of transport. Write one difference between them. ($\frac{1}{2} + \frac{1}{2}$ mark)
3. Prepare a write a write up about hot air balloons, their history and uses. (1mark)
4. In order to avoid pollution made by different vehicles, explain what measures would you take and how . (1mark)

GUIDELINES:

- The project must be **handwritten** and should be submitted in a **folder**
- Stick appropriate pictures for each question.
- The Project must have a **cover page** mentioning the name of the topic, student's name, class, section and roll number clearly.
- It should also consist of a **content page** and **acknowledgement note**.
- Maximum number of pages----**8** (including the cover page and content page)
- Students are encouraged to **use their imagination and creativity** to make the project colourful.
