11	Careless use of renewable resources does not affect their stock. <b>False</b>			1
12	The practice of surveying became common under colonial administration. <b>True</b>			1

**SECTION B**

**ANSWER IN ONE WORD OR ONE SENTENCE**

1 'British period in India cannot be characterized as the modern period in Indian history'. Give reasons. 1

- Under British rule people did not have equality, freedom or liberty.
- Or
- This period was not associated with the growth of science, reason, democracy, liberty and equality.

2 What do you mean by colonization? 1

- When the subjugation of one country by another leads to political, economic, social and cultural changes, this process is referred to as colonization

**ANSWER THE FOLLOWING IN THREE SENTENCES**

3 What are non-renewable resources? 3

- Non-renewable resources have a limited stock.
- Once the stocks are exhausted it may take thousands of years to be renewed.
- Since this time period is much more than that of a human life span these can be termed as non-renewable resources.

What is sustainable development? Suggest any two principles to attain sustainable development.

4. • Balancing the need to use resources and also conserve them for the future is called sustainable development. 3

Or

Carefully utilizing resources so that besides meeting the requirements of the present, also takes care of the future generations.

- Respect and care for all forms of life. **(Any Two)**
- Improve the quality of human life.
- Minimize the depletion of natural resources.
- Change personal attitudes and practices towards changed environment.
