

Dear Parent,

The teaching methodology for Pre-Primary section is activity based. Hereby, we provide you with a list of activities that can be conducted at home under the guidance / supervision of parents. These activities can be carried out with the readily available materials at home. The ultimate aim of teaching is also achieved by carrying out these activities, and it will be shared twice a week.

Kindly requesting parents to share photographs of your ward doing these activities.

SPARKLING YOUR GENIUS!

- Parents and child can play quiz at home.
- Parents can ask questions like:
 - ◇ Where does your mother cook food?
Answer – kitchen.
 - ◇ In which room does the sofa belong?
 - ◇ How many fans are there in the house?
 - ◇ Who is the tallest in the family?
 - ◇ What is the colour of the sky at night?
 - ◇ How many colours are there in a rainbow?
 - ◇ Which day comes after Thursday?
 - ◇ How many fingers do you have?

Learning Outcome: This activity will enhance parent child interaction and also help their socio-emotional and observation skills.

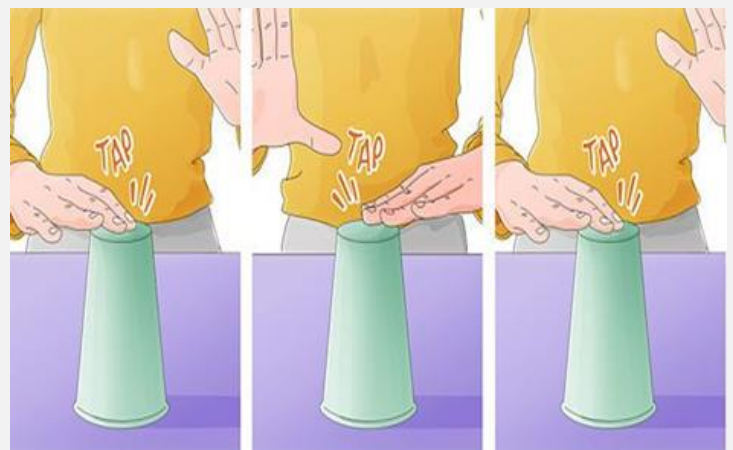

Materials Required:

Three identical cups or bowls and a small object (ball, coin, eraser etc.)

- Place the cups / bowls as shown in the picture.
- Place the small object (ball, coin, eraser etc.) under one cup in front of the child.
- Shuffle the cups / bowls around by sliding them across the table, switching their position quickly back and forth and all around.
- Once you have stopped moving the cups / bowls ask the child to identify the cup which has the object under it.

Learning Outcome: This activity boosts the memory power.

MIND MAZE

TWISTS AND TURNS

Materials Required:

Clock for timing, chits of paper to write the topics.

- Write the topics of stories on the chits of paper for example – Funny, Action, Horror, Adventure etc.
- Assemble in the living room, the first person picks up a chit and starts a story according to the topic written, for example – action story and finishes within the time decided by you. (one or two minutes)
- Now, the second person will pick up a chit and twist the story completely for example - from action to funny etc.
- The same continues repeatedly and the last person should give an end, filled with twists and turns.

Learning Outcome: This activity will enhance the child's observation skills and expression of ideas in a creative manner.

Materials Required:

Coloured blocks, soil, water, tray, keep ready any small plants of your choice in the glass / box.

- Take blocks and make different shapes of your choice.
- Remove the plants from the glass / box and place them in the block planter you have created.
- Add soil if necessary to pack the empty spaces.
- Pour little water into your colourful garden.
- Place the tray under the block planter to allow the water to drain.

Learning Outcome: This activity helps children to develop fine motor skills, eye-hand coordination and knowledge of improving creativity.

GLOOM TO BLOOM
