

Dear Parent,

The teaching methodology for Pre-Primary section is activity based. Hereby, we provide you with a list of activities that can be conducted at home under the guidance / supervision of parents. These activities can be carried out with the readily available materials at home. The ultimate aim of teaching is also achieved by carrying out these activities, and it will be shared twice a week.

Kindly requesting parents to share photographs of your ward doing these activities.

KIDS ZONE

Materials Required: Available toys, dolls and utensils from the kitchen.

- The child and the parents can enjoy a pretend play time.
- He /She can set up a play house with a kitchen, bedroom or living room. Let the child design the space according to his / her own creativity.

Learning Outcome: This activity will help to develop the child's social, emotional and language skills.

Materials Required: Any empty milk/juice tetra pack, paints, paint brush, white paper, glue, scissors, 4 bottle caps and sketch pen.

- Take an empty tetra pack, paint it with a colour of your choice and let it dry.
- Cut two rectangular strips from the white paper and stick on each side of the bus and draw windows on it as shown in the given picture.
- Draw/stick faces of children on the windows.
- Stick bottle caps for wheels on all four sides.
- Write "SCHOOL" with a sketch pen on the side and the school bus is ready to go.

Learning Outcome: This activity will help to enhance eye-hand coordination and creativity in children.

GET SET GO

UTTERLY AMAZING

Materials Required: Strips of coloured paper of your choice, stapler and sketch pen.

- Cut strips of colour paper.
- Write short positive messages / values on the strips like share your toys, be truthful, be friendly, respect your elders, say sorry etc.
- Staple one end of the strip with the other end to create a circle. Ensure that the words are facing outwards and is visible.
- Take a new strip and insert one end of the strip through the circle which was made earlier as shown in the picture.
- Now staple again both the ends of the second strip.
- Continue the above steps with the remaining strips and you will get a long chain of goodness.

Learning Outcome: This activity will help to develop eye-hand coordination, fine motor skills and moral values.

Materials Required: Paper, pencil/pen, flash cards with alphabets on it if available at home.

- Parents should explain the name and relationship of different family members like grandfather, grandmother, uncles, aunts etc.
- They can also write down the names of the relatives on different papers.
- Let the child create a family tree using these names.
- The child can also form the names with letter flash cards if available at home.

Learning Outcome: This activity helps the child to know more about family and strengthen relationships.
