**VII. Read the passage carefully and answer the given questions.****(Total Marks - 4)**

**Sanjay got a camera as a gift from his aunt. It was an instant camera. The pictures came out from the camera at once. His aunt showed him how to use it. "It's very easy to use," said his aunt. "Look through the little window and point the camera at your uncle. Press the red button and wait for the picture to come out." Sanjay could not wait. He pointed the camera at his uncle. He looked at him through the little window and could see him. He pressed the button and the photo came out. He waited for a minute and looked at it. Only half of his uncle was in the picture! Sanjay showed it to his aunt. Ms. Rao laughed. "You moved the camera," she said. "Hold it steady. Don't move the camera. Try again." Sanjay took another photograph and that one was perfect. "Well done!" his aunt said. Sanjay took more and more pictures happily.**
