**(1 mark)**

Having a pet is a wonderful feeling but it is a great responsibility.

Tarun's family is going back to India. They have a pet cat. They will not be able to take their pet cat along with them. Help this family to choose the best ways where they can leave their pet.

Put a tick for the right options.

- a. Leave the pet in a park
- b. Give it to a family who will take care of the pet
- c. Leave it along with the stray animals
- d. Give it in a pet shop
- e. Inform the group of people who looks after stray animals
