### **Passage for listening Comprehension.(SET A)**

Tommy is a dog. Yesterday it was a holiday. I wanted to sleep. But Tommy jumped on my bed. I got up. I gave him a bath and brushed his hair. Tommy did not want to be tied to a leash. I took him to the park. I played with him all day long. We were very happy.

An old lady was sitting on a bench in the park. A man took her purse and started to run. The old lady shouted "Help!Help!"

Tommy ran after the thief and caught his leg. Others in the park took the thief to the police. I gave the purse back to the old lady. She thanked me and gave a pat to Tommy.

### **Passage for Listening Comprehension (SET B)**

Rahul was walking down the road when he saw a black car. It looked familiar and he tried to recall where he had seen it before. Inside the car was a man. He was sitting behind the wheel, munching an apple. He also looked familiar. By this time, he was thinking so hard that he forgot where he was going. All he could think of was the car, the man and where he had seen them before.

Finally he gave up and walked to the car. He knocked at the window. He asked him nervously, "Excuse me sir, but do you know me? Because I'm quite sure that I know you and your car, though I can't remember how."

He heard a familiar voice. "Rahul, have you forgotten your spectacles again?" Suddenly everything made sense. It was his uncle and his car!! And he was going to the shop to repair his spectacles!!

### **Passage for Listening Comprehension (SET C)**

In my home, just next to my room, is a small balcony. There in that small area, I have made my own little garden. When we shifted to our new flat about a year ago, I was wondering what to do with that open area. My grandfather suggested that I grow plants in small flower pots. He helped me in arranging the plants and taught me how to take care of them. Now, I have become an expert and manage time to water the plants properly. I even trim their leaves. Today, after one year, my rose, marigold, shoe-flower plants have grown tall and healthy. They have made my garden and my life colourful with their flowers. My garden is my favourite place in the house.

### **Passage for Listening Comprehension (SET D)**

Hi! My name is Lisa. Yesterday, it was my friend Soham's ninth birthday party. All our friends were invited. I had to be at his place at 6 o'clock in the evening. My father dropped me at his place at the scheduled time. When I entered his house, many of our friends were already present while some of them are yet to come. I handed over the gift to Soham and wished him "Happy Birthday". Finally at 6.30 p.m. when everybody came, Soham cut the cake and we sang the birthday song. We had great fun since we had pizzas, cakes and chips as snacks. We also played many games. Then at 8 p.m., my father came to pick me up. I bid goodbye to Soham and came home with the return gift.
