I. Answer the following.

I. What should you do

- a. to stop bleeding? Tie a bandage
- b. in a game? Follow the rules
- c. if you are not a good swimmer? Stay at the shallow end of the pool
- d. if you spill oil on the floor? Wipe the floor immediately
- e. if a person is seriously injured? Do not try to move him or her.

II. Think and Answer.

- a. Sandy was burning crackers during the Diwali celebrations. She accidentally got a slight burn on her hand. How can you help her?

She has to, run cold water over or keep ice on the burn for

a few minutes.

- b. Mustafa was not allowed to play with his friends on the road. Why do you think so?

Mustafa should remember that roads are not meant for playing.

Also he has to be, never careless on the road. Even a little

carelessness can lead to dangerous accidents due to

speeding vehicles.

c. Kamala is a very active kid. What are the rules that she must follow at school?

She should not run and push each other at school. Do not push

or run down the staircase. Never climb on desk and chairs.

Do not throw things around in the class.

I follow the rules!
