

PARENTS' OPEN FORUM HELD ON 14/06/2014.

ACADEMIC

	POINTS RAISED	ACTION POINTS
1	Formative Assessments are better than CCE	We have to follow CBSE guidelines as far as CCE is concerned.
2	Teachers not available in class rooms, why crash course in senior section?	Will be taken care. Crash course for senior students, who joined late was not conducted, as they missed only 4-5 days of instruction.
3	Why we do not have 100% passing in X and XII exams?	We are trying our level best, to produce the best result.
4	Children attending sports coaching in morning miss first period. Arrangements should be made so that the classes are not missed.	Yes, will be implemented.
5	Sports facility needs enhancement.	SMC will look into that.
6	Regional languages should be included in curriculum.	If the number of students opting are comparable/viable, we will look for that option.
7	Hindi should be taught in English	Yes, it is done that way.
8	Finance grant should be asked from Indian Government.	SMC to look into
9	Children getting injured in school should be taken to Khoula Hospital.	If possible arrangements are in place, depending upon the need.
10	Notebook of Hindi students not corrected properly. Teacher should accept feedback positively.	Well taken and communicated to the HODs.
11	School should not encourage tuitions.	School never encourage/enforce tuitions.

NON-ACADEMIC

	POINTS RAISED	ACTION POINTS
1	Restriction on websites access by students.	Already in place. We will make it more stringent.
2	Toilets need better cleaning and maintenance.	We are doing, in fact with 29 outsourced janitors and we will definitely try to improve.
3	Why school purchased land near ISM.	To increase the facilities.
4	Similar books for all schools. ISM books are more expensive. Quality of books and note books is not good, torn.	BOD is working on that (as the BOD Chairman gave answer).
5	School uniform can be contracted to one vendor at school.	Difficulties involved.
6	Arrange transportation through school.	SMC is working on that, though it is practically difficult.
7	How to recycle old text books.	Will be considered with the help of Charity Club.
