**CIRCULAR TO STUDENTS OF CLASSES KG I-VIII
CBSE READING APP**

Dear Parents and Students,

Greetings from Indian School Muscat!

With a focus on promoting Reading Literacy among students, the Central Board of Secondary Education has been organizing the CBSE Reading Challenge since 2021.

To further promote the joy of reading and recognizing the need to develop higher order skills such as creativity, critical thinking, problem solving, visualisation and idea generation, the Board is making available the CBSE Reading APP - a well designed, levelised and adaptive one stop platform to encourage students to make reading a habit. Through this app, the CBSE school teachers and students will have access to a large digital library, consisting of reading material for Nursery grades to grade VIII, sourced from a diverse set of publishers in text, audio, and video formats.

The steps to download and access this app are given below:

- Search for 'CBSE Reading App by Freedom' on App Store or Play Store.
- Install the app.
- Open the app and click on 'Get Started' button.

Kindly note that the app can be accessed only with an Indian number and an OTP.

For any further query, the students and teachers may send an email to hodcs.middle@ismoman.com.

Requesting the parents to motivate their wards to download the app and make reading a habit.

With warm regards

Dr Rajeev Kumar Chauhan
Principal
