CIRCULAR TO PARENTS OF CLASSES VII TO XII School Innovation Council (SIC) -2025

Dear Parents,
Greetings from Indian School Muscat!

We are delighted to announce the launch of the **School Innovation Council (SIC)** at Indian School Muscat — a forward-thinking initiative spearheaded by the Ministry of Education's Innovation Cell. This dynamic platform is designed to cultivate a spirit of innovation, critical thinking, and entrepreneurial mindset among students.

Aligned with the vision of **National Education Policy (NEP) 2020**, the SIC aims to equip students with essential 21st-century skills such as problem-solving, collaboration, creativity, and digital literacy. Through a variety of enriching, hands-on activities, the SIC will foster curiosity and empower students to explore real-world challenges with innovative solutions.

As part of this initiative, students will engage in:

- Interactive **entrepreneurial talks** by industry leaders and innovators
- **Hackathons** and ideation camps to develop creative solutions
- **Field visits** to innovation hubs and local enterprises
- **Workshops** on business plan development and pitching skills
- Participation in **start-up activities**, innovation contests, and prototype exhibitions at school, state, and national levels

Moreover, the SIC will serve as a bridge between school students and innovation councils of higher education institutions, offering valuable exposure and mentoring in the field of entrepreneurship and design thinking.

We invite interested students from Classes VII to XII to become part of this exciting journey. Kindly register by filling out the Google Form using your official ISM Gmail ID. **Google Form link:** <https://forms.gle/kdekglpzKnAxib2K7>

The last date to submit the entries is 19th April 2025. For any queries, kindly contact Ms. Seema Janesh, HOD Computer Science (Senior Section) at hodcs.senior@ismoman.com

Kind regards,

Rakesh Joshi
Principal
