**CIRCULAR TO PARENTS OF THE SCHOOL (CLASSES IX to XII)**  
**TRAFFIC CONGESTION**

Dear Parent,

Greetings from Indian School Muscat!

We have observed heavy traffic and movement of the private cars in the morning and afternoon hours for dropping and taking back the children. It is causing a lot of inconvenience to the people staying in the area and we seek the support of the parents to reduce the traffic congestion specifically in and around the school premise.

We request all the parents of senior section to **use the D Block gate preferably** for dropping and taking back the children. This will ease out the traffic issues to a certain extent. This will avoid the inconvenience and waiting time for the parents as well. At present, both gates (C Block and D Block) are operational for the entry & exit of the students and will be continued until further notice.

We seek the support and cooperation from the parents in this regard.

With warm regards

Dr Rajeev Kumar Chauhan  
Principal
