Dear Parent,
Greetings from Indian School Muscat!

Science is inexplicably linked with our lives and helps us to understand the world around us better. By engaging with this subject, students learn to think, solve problems and make informed decisions. As an initiative to generate curiosity, enquiry and higher order thinking amongst the learners, the **CBSE** is organizing the **Science Challenge for the students of classes VIII to X**.

This challenge shall be available on CBSE platform in the months of **April - May, 2025**. The theme of the CBSE Science Challenge is **Science, Environment and Sustainability**.

Details of the CBSE Science Challenge are as follows:

- There is **no fee** for participating students at either of the two stages of this enrichment activity.
