CIRCULAR TO PARENTS OF CLASS IX ONLINE LIVE CLASSES

Dear Parent,

Greetings from Indian School Muscat!!

At this time of unusual difficulty, the wholehearted support given by the parent community in conducting online classes is well appreciated.

We started online live webinar classes on Thursday, 9th April 2020 for Class IX and on Monday, April 13, 2020 for the students of Class XI. After a few teething issues related to the network, the online live classes are going on very well.

We appreciate your participation in the Parent Orientation Programme. With reference to your request to have regular classes for the students of Class IX, we are all set to conduct online live classes on Google Classroom for the students of Class IX from Sunday to Thursday starting from Thursday, 30th April 2020. You are requested to follow the guidelines to attend these online live classes.

Procedure to access these classes for Class IX:

- The link for joining the live classes will be sent to your school e-mail ID and you need to activate in your Google Classroom as per the schedule given for your class. You need to go to your Classroom, click on the link and attend these online live classes. You need to remain in the class till all the classes get over for the day.
- These live classes will also be recorded and uploaded in the Google Classroom for future reference and revision.
- Besides these, assignments and quizzes will also be posted by the teachers and students should do them regularly.
- **A demo Session will be conducted on Monday, 27th April 2020 for the students of Class IX to familiarize them with the live sessions as per the timing given in the time table.**

The students are required to be cautious while using this platform as it is meant only for teaching-learning process. They are strictly instructed not to use the chat box for passing any personal/private message, or try to upload any document or video without the teacher's consent. Stringent action will be initiated against those who violate these instructions.

As this initiative is taken for the first time, it is possible that things might not work as desired due to various factors. However, we request all to be patient and we seek the cooperation of every student and parent to use the facility provided to the best.

The schedule of the online live classes for Class IX is shared separately and this will be followed from Thursday, 30th April 2020.

With warm regards,

Dr Rajeev Kumar Chauhan

Principal
