CLUB ACTIVITIES 2022 (SENIOR SECTION)

Dear Parents & Students,

Warm Greetings from Indian School Muscat!

School club is an association or organization dedicated to a particular interest or activity. The club at its best creates a society of personalities with a community sense, which is the essence of good citizenship. Clubs are so vital because they are the ultimate in experiential learning for young people, giving them the leadership and power to make their own decisions. School clubs can give students the opportunity to figure out their interests and what they are passionate about. Participation in school clubs will be extremely beneficial for applying to colleges and Universities.

During the academic year 2022-23, Indian School Muscat is offering various club activities appropriate to their age and interest, on **the first Saturday of every month, starting from the month of May 2022.** Those who are interested may fill in the **google form link** and select the club/clubs they would like to join by ticking one or two clubs (of different timings) on or before **Wednesday, April 20, 2022**.The list of clubs and their timings are given below. We urge the students to join in these clubs and get the maximum benefit out of them by honing their innate talents. For more details, contact Mrs. Nitha Nair or Mrs. Sudeshna C.V.
