CIRCULAR TO STUDENTS OF CLASSES VI TO VIII
CBSE CODING CHALLENGE 2022

Dear Students,

Greetings from Indian School Muscat!

The Central Board of Secondary Education is providing an opportunity to the students of classes VI-VIII to showcase their 21st century skills for solving some of the real-life issues leveraging technology. CBSE in collaboration with Microsoft is organising '*CBSE Coding Challenge 2022*'. This competition shall provide a platform for students to learn about various prevailing real life issues and work out an innovative solution to address the problem related to the themes using their coding skills.

Themes:
a) Protect Biodiversity and Natural Habitats
b) Earth and Cultural Heritage Preservation
c) Accessibility
