CIRCULAR TO PARENTS OF THE SCHOOL (STD III to VIII)

Dear Parent,
Greetings from Indian School Muscat!

Sub: Introduction of new Regional Languages

Based on the request received from the parent, the school would like to conduct a feedback survey among the parents with regard to the introduction of new regional languages in the school curriculum as part of second/third language.

We request the parents to submit the feedback on the preferences of the regional language of their choice by using the attached form link given below. This feedback survey is invited from the students who are interested to learn any Indian Regional language other than the existing ones in the present curriculum of the school. At present, we have Hindi, French, Malayalam, Arabic, Tamil and Sanskrit languages as different options for the students from Classes III to VIII.

The final decision on the introduction of the new regional languages will be decided by the school management committee and the school administration based on the feedback survey and the number of students expressed their interest in each class. The regional language will be introduced only if there is a minimum number of expression of interest received against a particular Indian regional language in a class.

Interested students can submit their expression of interest by filling in the online google form by clicking on the below link on or before Tuesday, 23rd April 2024.

Please note that this form needs to be submitted only by those students (Classes III to VIII) who are interested to give the feedback on the introduction of new regional language. **You are requested to login with the school official email of the student to submit the above form.**

Kind regards,

Rakesh Joshi
Principal
