CIRCULAR TO PARENTS OF THE SCHOOL (KG to STD XII)
(OFFICIAL CHANNEL FOR COMMUNICATION)

Dear Parent,

Greetings from Indian School Muscat!

It has been observed that fake WhatsApp messages have been circulated and forwarded in the class groups made by unknown sources. We request the parents and students to refrain from forwarding the messages from the unknown groups or sources.

This is to inform you that the school will be using **WhatsApp broadcast messages** only for the communication to the parents through the class teachers. As per the school policy, we do not have any official WhatsApp group for the parents and students. All the communications to the parents will be through the class teachers and through WhatsApp broadcasting.

It has been decided that the school will be providing all such communication also through the official twitter account further for avoiding any confusion among the parents. You are requested to follow the following twitter account for all such official communication from the school.

We seek the support and cooperation from the parents in this regard.

With warm regards

Dr Rajeev Kumar Chauhan
Principal
