Circular to Parents of Classes I to XII
Digital Learning Platforms

Dear Parent,

Greetings from Indian School Muscat!

As you all are aware of the unavoidable circumstances that we are living in, we are forced to take measures that will require all our collective assistance and support. We understand that these are trying times, but together we can overcome and head towards a brighter future for our children. We have decided to continue our services through various mediums to help and guide our children to continue their education. Google Classroom has already been launched for the students to continue their studies.

Please Note: Google Classroom can only be accessed through your child's email address.

We are delighted to share the following links for further enhancement of the studies.

1. **Destination Success for Classes I to XII** – Already available in the School Website as E-content. In case you have an issue in opening it, you can contact your class teacher.
2. **Learnflix for Classes VI to IX: This is an App from Destination Success for the students of Classes VI to IX for the subjects of Mathematics and Science.** Students can download the app from
 - a. **Google Play store** by searching for 'Learnflix'
 - b. Or following the URL: <https://play.google.com/store/apps/details?id=com.learnflix>
 - c. Or access from the website www.learnflix.in.
 - d. Please find the web URL to Learnflix App Walkthrough Video for reference.
