JHANKAAR HUES

Inter House Plethora of Talents

2022 - 2023

JHANKAAR HUES 2022

Dear House Leaders,

Indian School Muscat strives to create more and better opportunities for the students to participate in as many activities as possible to expand their horizon to develop their skills in different areas so that by the time they leave their alma mater they are intellectually prepared for the challenging world. They will also be fully equipped to work hand in hand with the pupils of other nationalities, and our students will emerge as successful global citizens.

Keeping the above objective in mind, Indian School Muscat unfurls another new initiative of organizing **Jhankaar Hues – an Inter-House Plethora of Talents** - for the students of Classes III to XII during the academic year 2022-23. This new initiative will provide a larger platform for our students to participate in large number in varieties of co-curricular events which will be held on three days in the month of June 2022. There are 33 events in total which will cater to the needs of the students of Primary, Middle and Senior Sections. These 33 events are going to be inter-house competitions.

The events will be organised for the students of Classes III to XII and they will be formed under three categories, namely:

1. Sub-Junior – Classes III to V
2. Junior – Classes VI to VIII
3. Senior – Classes IX to XII

The Middle and Senior Sections have already got the House system in place. The students of classes III & IV will be divided into four Houses for the first time in the history of ISM. Each of the Houses across the school will be coordinated by the teachers of the respective sections. Each House will be led by a House Master, House Mistress, Assistant House Master and Assistant House Mistress and the other teachers will follow the guidance of these office bearers. Each House will have a Captain and a Vice Captain from Classes VIII to XI who will be elected democratically by the members of the House. Each class will be represented by a Vice Captain. For example, Green House will have a Captain from Class XII and the Captain will be assisted by four Vice Captains each representing Classes VIII to XI. These Captains and Vice Captains will be democratically elected by the members of the Green House.

A detailed circular shall be sent with the details of the competitions, a link of the rule book and a Google Form link for registration. Interested students can go through the rule book and then register

themselves for the in-House selection. The data will be sorted out House-wise and category-wise and shall be sent to the respective House in-charge for conducting the in-House selections.

The details of all the inter-house events, their rules and regulations, judging criteria etc. are given in this handbook. Each House is expected to transparently conduct in-House auditions to select the best students to represent their respective Houses in each of the events. These in-House auditions can be organized before or after school hours, during the recesses or on two Saturdays in the month of May 2022 that will be provided as per the instruction of the respective section Vice Principals.

One student can participate in maximum of three events only whether group or solo events. House teachers and student leaders should ensure that maximum number of students participate in the in-House auditions which should be conducted in an unbiased and transparent manner. These auditions shall be adjudicated by competent teachers using the judges' score sheets provided in the rule book. These score sheets and the consolidated score sheets of each of the events should be signed by the judges and they should be counter-signed by the respective House Masters and House Mistresses with date.

A format shall be shared with the House in-charge who shall submit the final consolidated lists of participants of each Houses with the Event Manager on or before Monday, 30th May 2022.

The House Masters / House Mistresses shall identify the best two teams / performers in each of the events, except the Art Competition – event No. 9 (there can be five participants from each House). In the Group events, the House Masters / House Mistresses can include two substitutes who can be used in case of a last-minute drop out or absence of a selected participant. These substitutes should be selected from those students who appear for audition only. They may be from a group which may not be selected for the inter-house competition. The substitutes will also be given a trophy and a certificate in case of the team winning a prize. Otherwise, they too shall receive a Certificate of Participation. The final consolidated lists shall be sent to the Event Manager -jhankaarhues@ismoman.com- in the format that shall be sent to the House in-charge. The last date for submitting the final list is Monday, 30th May 2022 at 2 p.m.

The files of the in-House auditions should be kept ready for verification of the Vice Principal of the section at all times.

A Standard Operating Procedure (SOP) and the judging criteria for the in-house auditions have been provided in this handbook for the smooth conduct of the in-House auditions. All the House in-charges are expected to go through them carefully and implement each of the procedures systematically for the successful conduct of the House meetings and in-House auditions.

If the House in-charges have any doubt in this regard, they can contact their respective Vice Principals or the Lead Coordinators of the inter-house activities in the section. The following are the Lead Coordinators and their assistants:
