ADVISORY FOR PARENTS – LIGHTER SCHOOL BAGS CLASSES I TO IV

Dear Parent,

Greetings from Indian School Muscat!

We hope this message finds you and your family in good health and high spirits. In our continued endeavour to prioritize well-being of our students, we would like to bring to your attention the importance of minimizing the weight of school bags carried by our young learners.

We request the parents to ensure that their children do not carry excessively heavy bags to school. Our dedicated class teachers diligently check the school bags on a regular basis and appreciate the children for bringing lighter bags inline with the timetable.

Suggestions to parents:

- Parents may kindly help pack their ward's bag everyday as per the timetable and ensure they only carry what is required for each specific day.
- Children are often in the habit of storing things in their school bags, therefore regular cleaning / washing of the school bag is essential.
- The straps of the bag should be adjusted in such a way that the bag is worn tightly on the back rather than hanging off the shoulder.

We believe that together we can create an environment that nurtures both academic excellence and the overall well-being of our young learners.

We appreciate your cooperation and understanding in this matter.

Kind regards,

Rakesh Joshi
