Circular to Parents of Classes V to VIII (Revised)
Parent Orientation Programme

Dear Parent,

Greetings from Indian School Muscat!

We strongly believe that the parents are the major stakeholders of the school and we are glad to work in partnership through various platforms. Together we can make a difference. One of the forums to build relationship with the parent community is the Parent Orientation Programme. Due to Covid-19 pandemic, we are unable to organise Parent Orientation Programme in the school premises.

In this situation, we depend on online sessions to facilitate the same.

We have planned Online Live Parent Orientation Programmes for the parents of Classes of V to VIII as per the schedule given below. It will be conducted through Google Meet. We will be sending an invite to your ward's email id to join the live session. Click on the meet link sent to you to join the session.
