BOARD OF DIRECTORS, INDIAN SCHOOLS IN OMAN

Circular to the Parents of Classes IX - XII

WEBINAR ON NEET/JEE ADMISSION PROCEDURES

A number of students who graduate from Indian Schools in Oman pursue courses in Engineering and Medicine in India. They have to achieve higher ranks in entrance examinations to get admissions in colleges – Joint Entrance Exam (JEE) for undergraduate Engineering and National Eligibility cum Entrance Test (NEET) for admission in Medical Courses. There are also state-level entrance examinations conducted by the respective State Governments for admissions to these professional courses.

The Board is inviting the senior students and their parents to a webinar on NEET/JEE and other competitive examinations for professional courses in India. The webinar conducted by experts will clarify all queries pertaining to application procedures and provide information on renowned institutions in addition to the Government colleges.

The webinar will be held on Saturday, 23rd April 2022 at 9:30 a.m. Students of Classes IX to XII and their parents are cordially invited to attend the session over ZOOM; the link is as follows:
