Circular to Parents (KG to STD XII)

Dear Parent,

Sub:- Fee concession for 2019-20 and financial support to deserving parents.

Indian School Muscat is the largest community school in the Sultanate of Oman, which always aims to provide the best education to the children of Indian nationals. ISM and its Management strive to provide welfare and provision of first class education as its priority.

The policy of the School Management is that none of the existing students have to leave the school because of financial difficulties apart from the fee concession system; the school extends all support to the parents who are facing financial difficulties. In this regard the school has fixed the maximum salary limit of R.O. 400/- per month so that more students can benefit from the concession system. An allocation has been made for this purpose in the budget.

To ensure that such concessions are available to those who genuinely need it, the school invites applications for fee concession on the prescribed format which is available in the school reception and on school website (www.ismoman.com).

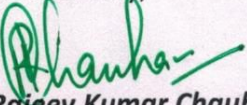

The filled in application form along with supporting documents may please be submitted to Mr. Sunny T. Cherian in the School Admin Office on or before **8th May 2019 at 2.00 pm**. The decision on awarding fee concession will be finalized after preliminary interaction with the parents, schedule of which will be intimated to you through SMS.

Please note that those who availed fee concession during last year are also required to submit a fresh application form.

Please note that no application forms will be accepted after **8th May 2019**. The decision to grant fee concession is purely at the discretion of the School and the decision will be based on the merit of the application with relevant supporting documents.

Warm regards,

Yours sincerely,

Dr Rajeev Kumar Chauhan
Principal
